If you opt into the Pass/D/F policy, grades in a course (or courses), will adjust as described below:

- Grades in the A+ to C- range will be recorded as a "P" for "Pass" (credits awarded; no effect on GPA)
- Grades in the D+ to D- range will be recorded as a D (credits awarded; calculated into GPA as 1.00 quality points)
- F grades will be recorded as an F (no credits awarded; calculated into GPA as 0.00 quality points)

Please consider the following when determining if you wish to opt for Pass/D/F:

- Graduating seniors must achieve a cumulative GPA and major GPA of 2.00 or higher in order to graduate.
- Students who are retaking a course with the hopes of improving their grade should be aware that a grade of "Pass" will replace a previously earned grade and count toward a graduation requirement; neither the "Pass" nor the prior grade will be calculated into the GPA.
- Students may not opt into the Pass/D/F policy for ENG 1101 because students must earn a C or higher as college-wide requirement.
- Education Majors and Minors may not opt into the Pass/D/F grading policy for any courses required by that accredited program because students must earn grades of C or higher.
- Honors courses are eligible for the Pass/D/F policy.

It is recommended that all students consult with their academic advisor and/or academic counselor or dean before opting into the Pass/D/F policy for one or more courses.

Is your current cumulative GPA less than 2.00? YES NO

If yes, please contact academiclife@mcdaniel.edu before submitting this form to be connected to an academic counselor or dean for consultation on how this policy may impact your academic progress and standing.
